Stonex India Adds Charm to its Prestigious Marble Range with 'EDIFICE' Collection

Press Esc to exit full screen

Termed as 'Edifice' this fabulous collection adds a pitch-perfect optimism to any indoor flooring

Inspired by the elegance showcased by large-size inlaid marble flooring; Stonex India Private Limited, India's leading destination for exquisite marble and natural stones, has launched 'EDIFICE' collection to its pre-existing marble range. Its unique natural veins define its captivating, infinite beauty which makes it ideal for modern interior flooring. This breathtaking collection includes over 300 varieties of marble and natural stones in a wide array of exquisite colours and dazzling textures, curated by Stonex India's experts from Italy, Spain, Greece, Brazil and Turkey. The assortment can be seen at Stonex India Pvt Ltd, WZ-29, Mansarovar Garden, Ring Road, Marble Market, New Delhi.

The 'EDIFICE' collection by Stonex India, that is a delicate blend of versatile neutrals and bold colors is available in a multitude of textures which is in sync with the latest trending shades, such as Bullberry Beige, Bullberry Grey, Exposed Concrete, Bvlgari, Dior Pearl & Frappuccino to name a few. The collection allows you to connect to your surroundings and it suits the style and elegance of any modern consumer's space. The 'EDIFICE' collection has the power to enrich any surroundings with their rich tones and innovative texture and it is a perfect indicator of the fact that Stonex India is a step ahead of the competition when it comes to providing aesthetic floorings combined with steadfast durability and quality. The 18mm thickness which meets the international strength standard combined with an ultra-compact surface gives this design an irresistible charm. Its subtle visual presence has a warming effect and complements a wild as well as urban aesthetic. The breathtaking texture and elegant finish with characterized patterns capture the essence of the interface between rich and dreamy.

Commenting on the launch, Mr. Gaurav Agrawal, CMD, Stonex India, said, "Staying true to our reputation as a pioneer, we endeavor to be at

the forefront of the stone and marble industry by setting a presidency of innovation. The 'EDIFICE' is a collection that will give a heightened perspective to any given space like no other. The collection is sourced from the world's leading quarries; hence this collection offers fantastic properties that are unique and exclusive to Stonex India." ■

About Stonex: Stonex India Limited is India's foremost destination for exquisite imported marble & natural stones. The company complements the taste and aspirations of a new age India by delivering global standards of quality, thereby carving a legacy for itself which is synonymous with grandeur, finesse, and supreme quality. The brand offers a prized collection of premium grade Marble, Semi Precious Stones, Granite, Travertine, Onyx, Limestone and Composites that have been responsibly sourced from all over the world; namely, Italy, Spain, Greece, Brazil & Turkey. Established in the year 2001, as a visionary dream, the company's three founding members Mr. Vikas Agrawal- MD, Mr. Gaurav Agrawal- CMD and Mr. Saurav Agrawal- MD have built a particularly strong reputation amongst its clientele for quality and innovation. The brand has been largely credited with bringing transparency to the incredibly disorganized marble sector. Stonex India Pvt. Ltd. is headquartered in Delhi with an ultra-modern factory in Kishangarh, and display showroom in Ahmadabad. Apart from that, the brand also has a leading presence in major cities like Mumbai, Pune, Bangalore, Hyderabad, Kolkata, Kanpur and Punjab to name a few.
